

## SUBSCRIBE TO A BEVCRIC GROUP

### STEP 1 – GET THE APP

Download the eziNotify app for either Android or iOS, for the links visit the [eziNotify](#) website and follow the link to the Individual page

After installation run the application

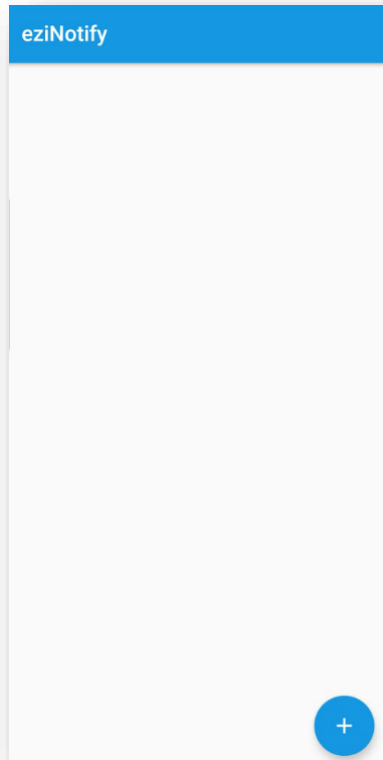

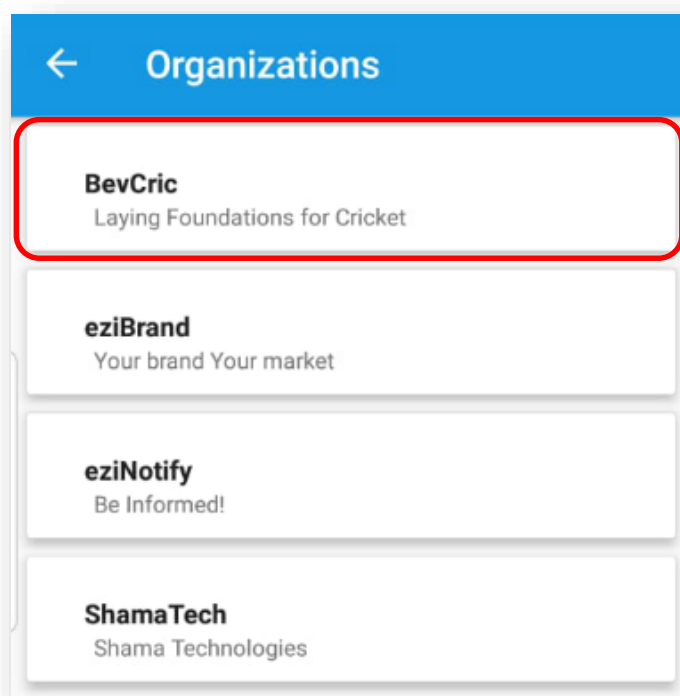

## STEP 2 – SELECT THE ORGINOSATION

The first time that you open the app you will have the following blank screen, not a problem this means that you haven't subscribed to any groups yet.

Just select Add (  ) button.

The next screen will show the active Organisation on eziNotify, for us select **BevCric**

### Select Group

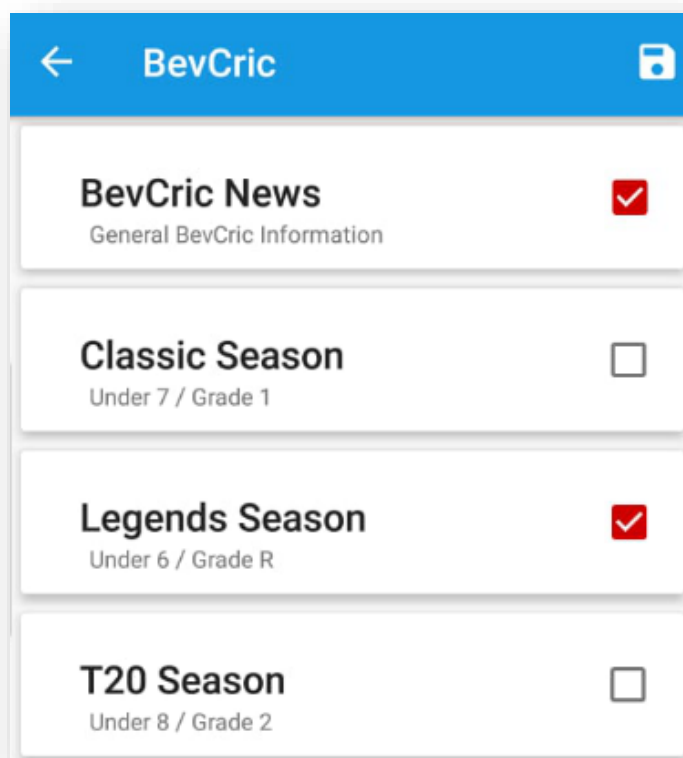

After selecting the Organisation you are ready to select the specific group that you want to receive notification for.

A good idea is to select the **BevCric News** option as a start. From there it is up to you to determine what information you need, for this example we want to get all the BevCric Legends notifications.

Very important remember to save your selection by selecting the **Save** (  ) button

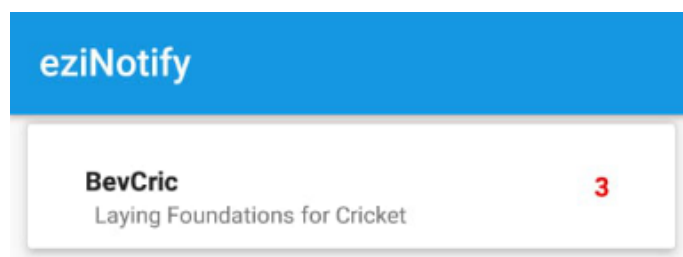

Back to the Organisation page, click once on the **Back** (  ) button

Back to the Main page, click once on the **Back** (  ) button again

### STEP 3 – GET NOTIFICATIONS

The **3** means you have 3 new messages. Click on notification to get the message details.

## STEP 4 – MANAGE YOUR NOTIFICATIONS

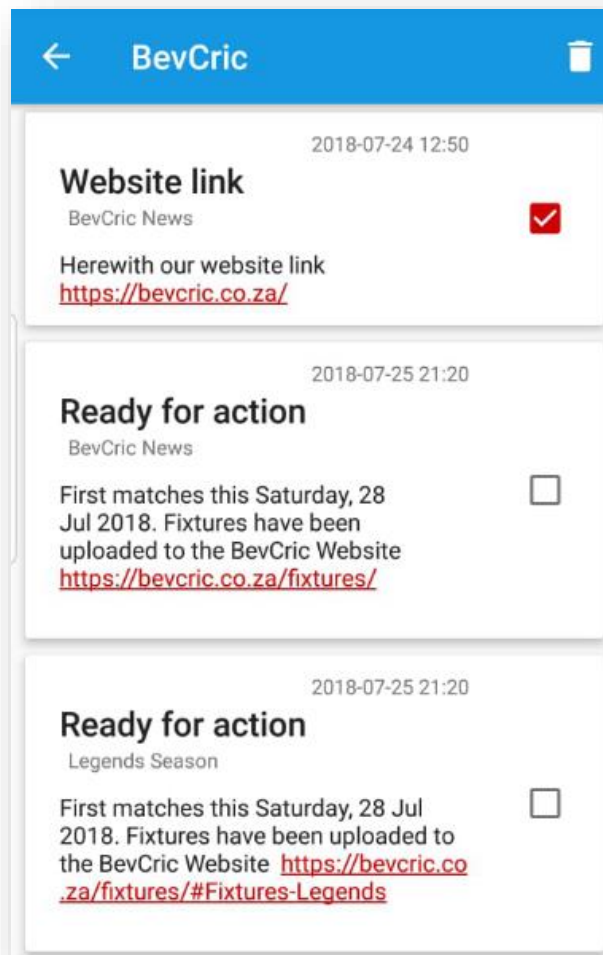

From your BevCric Notification page you have 3 options

1. Back to the Main page (  )
2. Add (  ) a new Group, follow the process as described in Step 2 above
3. Edit / Delete (  ) notifications; the process follows below:

a. Select the Edit (  ) Button

b. Select the message you want to delete as indicated below:

c. Select the Delete (  ) button to delete the selected notifications
